- March 14** Titus County Schoolrooms 100 years ago/Display in the Library form 8:00 a.m. to 3:00 p.m. Sign up in the Library for a time.

TAKS Information:

- Teachers, we need ideas for TAKS Incentives! Suggestions already being considered are TAKS Movie and Corprew Luau "Sleep Over". We have made arrangements for 2nd, 3rd and 4th grade to be entertained by the Hampton Theater with the play "Legend of King Arthur". If you have any ideas, please get those to your Site Base Representatives.
- INOVA/Mentoring: If you selected students to Mentor from the INOVA list, forms are due May 30th.
- A reminder to all that some students will be testing over a two day period.

Additional Information Discussed:

- Fund Raiser! Corprew is looking at selling Chocolate Bunnies as a fund raiser to help fund end of year Field Trips. See your Site Base Rep for more details!
- Budget: A list of instructional materials needed in classrooms to complete the year needs to be turned in to Mrs. McCowan by Friday, Feb.29th.
- Yes/No Rewards: The Megan Canales concept of rewarding appropriate behavior should be short (less than 30 minutes), requiring no out of pocket money from the teacher, not include food items and rewarded during you Science/S.Studies time. Let's stay within those guidelines.
- T.V. use is limited to instructional viewing and should be noted in lesson plans.
- Laser Pointers: We have several laser pointers in the office for you to use if you are doing a C. Brown story. You may send a student to the office to check one out and return when you have completed the lesson.
- Personal Phone Calls and Cell Phones: District Policy reads "Employees should refrain from making and receiving personal telephone calls during the work day. If an employee carries a cell phone while at work, no personal calls should be made or received while at a duty station, especially when students are present." We ask that you be discrete and not use you cell phones in open areas where parents and children are in view.
- Teachers and Staff are asked to personally sign-out and sign-in when leaving the campus.
- Field day is coming May 6th ***** Summer school will be held June 9-July 3,2008
