

Mount Pleasant High School Athletic Emergency Procedures by Venue

1. Determine if the situation requires activating the emergency plan. Know where the closest phone is to call the appropriate personnel. (Remember cell phones) For cardiac emergencies call 911 immediately and send someone for the nearest AED. For all other injuries notify either the Head Athletic Trainer or Assistant Athletic Trainer if not on site.
2. If EMS is needed send someone to call 911, preferably the game administrator or assistant coach. If MPISD Police is present, have them notify EMS via radio contact. During school hours call campus police (ext. 1154) after you call 911 to let them know that EMS has been called.
3. When calling 911, tell the dispatcher your name, title, where you are calling from, nature of the injury (head injury, ankle, etc.), and any other information requested. DO NOT HANG UP until instructed by the dispatcher.
