

**Mount Pleasant ISD Gifted and Talented Education Program
Gifted and Talented Transfer Student Application**

The Mount Pleasant ISD Gifted and Talented program is designed to provide appropriate educational experiences for those students who perform at a remarkably high level of accomplishment or show the potential for performing at a remarkably high level of accomplishment when compared to students of similar age, experience, or environment.

Students may qualify to participate in the gifted and talented program based on evidence of their remarkably high level of performance or evidence of their potential for remarkably high levels of performance. There are two phases of participation in which students may qualify:

- MPISD Elementary Gifted and Talented Program (Kindergarten – 4th grade)
- MPISD Secondary Gifted and Talented Program (5th – 12th grade)

A participating student who meets specified standards as part of the elementary gifted and talented program will qualify without further assessment to participate in the secondary program.

Transfer Policy Acknowledgement

Students who have been actively participating in the gifted and talented program in another school district will be placed into the gifted and talented program in MPISD upon registration based on evidence from the previous school district that the student had been formally identified and participating in a gifted and talented program.

I understand the nature of the transfer placement and wish to have my child participate in the gifted and talented program in Mount Pleasant ISD.
