

MPHS Entrepreneurship 5K Color Run

The MPHS Entrepreneurship class sponsored a 5K Color Run, April 7, at Dellwood Park. The proceeds will benefit CASA (Court Appointed Special Advocates). The students involved were in charge of contacting businesses to help sponsor the event. With each sponsor donation of \$100, they were allowed 5 runners and their name was placed on the back of the t-shirt. In spite of the inclement weather, there were 133 runners/walkers participating in the event. This was a great learning experience for the class and hopefully this will become an annual event.

MPHS Entrepreneurship 5K Color Run Winners
