

Two-Way Dual Language Program Application School year 2021-2022

The Two-Way Dual Language Program is an academic program that enhances the development of bilingualism and biliteracy. Students will participate in a rigorous academic program that develops academic proficiency in two languages.

Please submit your application to your child's campus.

Legal Name of Student _____ Date of birth: _____

Home Address _____

Phone (____) _____ Parent E-mail Address _____

Home School _____ Grade entering in fall 2021 _____
(Assigned elementary school)

Parent/Guardian name _____

I am interested in my child registering in the Two-Way Dual Language Academy of Mount Pleasant ISD. I understand that if more students indicate an interest in the two-way dual language program than the number of available spaces, a lottery system will then be used for student selection. Once the lottery is conducted, the district will send a letter of acceptance or denial to all applicants.

I understand that I must attend a parent information meeting before my child is considered for program enrollment.

Signature of Parent/Guardian

Date

Campus office: Make a copy of application and send to Eva Beles at MPISD Administration Building.
