

Dual Language Immersion Program

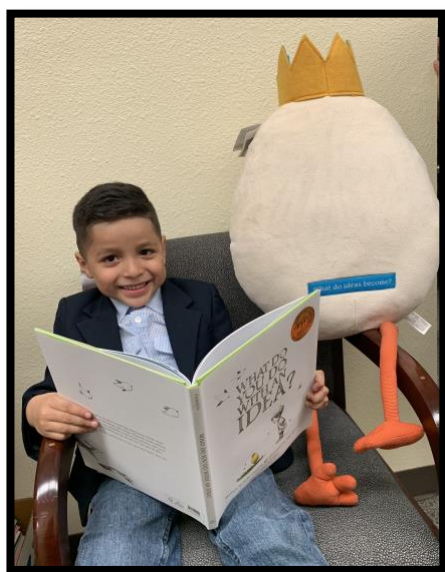

Parent Information Meeting

Open to Children Who Will Be in

Kindergarten in the 2021-2022 School year

Would you like your child to learn how to speak, read, and write fluently in both English and Spanish?

Have you heard of Dual Language Immersion?

If you are interested in learning more about the MPISD Dual Language Immersion Program for your child, please attend one of the listed **Parent Informational Meetings.**

Dual language classrooms contain a mix of students who are English-dominant with students who are Spanish-dominant. This mix of students provides intensive interaction and learning. The program teaches students to speak, read, and write in Spanish while maintaining a rigorous academic program in English.
