TITLE 1 COMPONENTS OF SCHOOLWIDE PROGRAM

Title 1 Components for Schoolwide Program

1 Comprehensive Needs Assessment:

- Entire campus including migratory children
- Based on performance of children in relation to state content and student performance standards

2 Schoolwide Reform Strategies:

- Provide opportunities for all children to meet state's proficient and advanced levels of student performance
 - Use effective methods and instructional strategies based on scientifically based research that: strengthen core academics, increase amount and quality of learning time, such as: providing extended school year, before and after school and summer programs, and help provide an enriched and accelerated curriculum, and include strategies for meeting the educational needs of historically underserved populations
- Include strategies to address needs of all children, particularly those of low-achieving and at risk of not meeting state academic achievement standards which may include: counseling, pupil services, and mentoring services, college and career awareness and preparation, such as college and career guidance, personal finance education, and innovative teaching methods, integration of vocational and technical education programs; and address how campus will determine if needs have been met; and
- Are consistent with, and are designed to implement, the state and local improvement plans
- 3 Instruction by Highly Qualified Teachers: instruction by highly qualified teachers
- 4 **High Quality and Ongoing Professional Development**: ongoing professional development for teachers, principals, and paraprofessionals
- 5 Attract Highly Qualified Teachers: strategies to attract high-quality highly qualified teachers to high-need school
- 6 Parental Involvement Strategies: strategies to increase parental involvement, such as family literacy services
- 7 Transition from Early Childhood Programs: plans for assisting preschool children
- 8 Inclusion of Teachers in Academic Assessment Decisions: measures to include teachers in decisions regarding academic assessments in order to provide information on, and to improve the performance of students and overall instructional program
- **9** Effective and Timely Additional Assistance: activities to ensure students who experience difficulty mastering the proficient or advanced levels of academic achievement standards shall be provided with assistance, which shall include measure to ensure students' difficulties are identified on a timely basis and to provide sufficient information on which to base effective assistance.
- 10 Coordination and Integration of Federal, State, and Local Services and Programs: occurs between federal, state, and local services and programs, including programs under ESSA, violence prevention programs, nutrition programs, housing programs, Head Start, adult education, vocational and technical education, and job training.

COMPREHENSIVE NEEDS ASSESSMENT

SECTION 4

SUMMARY OF COMPREHENSIVE NEEDS ASSESSMENT

Through differentiated instruction, integrating general education and special education, and continuing to administer and review benchmark data, Annie Sims will increase our passing rate by 5% or higher in all categories. Additionally, Annie Sims will continue to provide the dual language program to students and will increase our ELL subgroup scores by 5% on state assessments. A focus on second grade Renaissance Learning will also be utilized to help our ELL population.

Data-driven instruction and intervention must be provided for each individual student based on their academic needs. Instruction must be well-planned and executed by all teachers. Close oversight must be provided by campus administration. Lessons must be engaging and relevant. Parents must be welcomed as partners.
